The Apex

6 x 3m Peninsula layout
\$16,500*

The Apex maximizes space to display your equipment. Featuring a large lockable storeroom, full graphics wall, raised white floor, 55" LCD, brochure holders, striking feature pelmet with arm lights, power and lighting.

The Woodland

6 x 3m Peninsula layout
\$16,500*

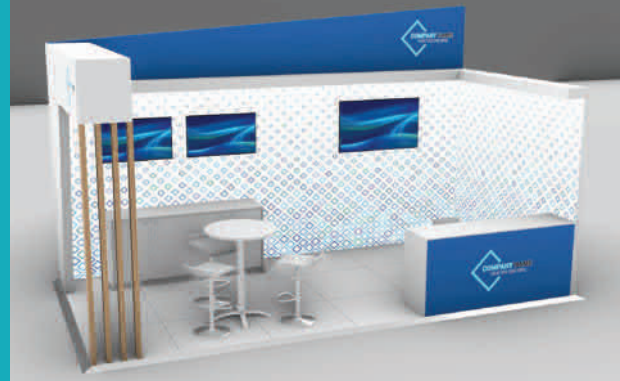

Get back to nature with The Woodland. Featuring a cozy meeting area with rattan furniture and black timber coffee table, this area is framed by an artificial green wall and hanging baskets. The business side has a great corner counter layout offering ample storage, raised timber look floor, power and lighting.

The Vitality

6 x 3m Corner layout
\$16,500*

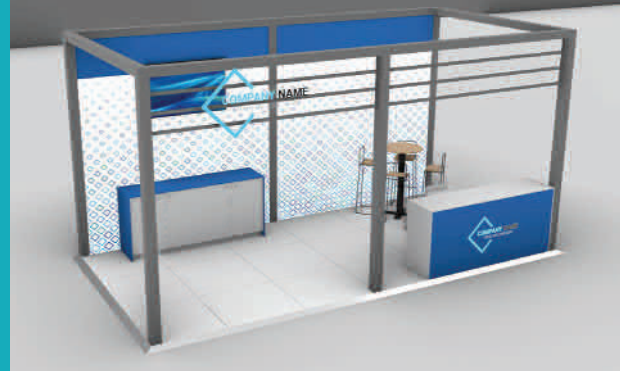

The Vitality is a modern design featuring rear wall with bold branding opportunities, angled extension panel with company logo, pelmet with downlights, timber screen, reception and counters, 3 x LCD's, brochure holders, raised white floor, bar table & stools, power and lighting.

The Spirit

6 x 3m Peninsula layout
\$16,500*

The Spirit is an eye catching stand offering versatile and well lit meeting areas framed by a modern beam pelmet and posts. Front reception desk with rear counters for storage, bar table & stools, 55" LCD, brochure holders, good branding opportunities, raised white floor, power and lighting.

The Pinnacle

6 x 6m Peninsula layout
\$20,000*

The Pinnacle is an attractive, modern stand offering spacious flooring for your display equipment. The stand features natural timber, a casual seating area with coffee table and bench seats, reception counter, 55" LCD, lockable storeroom, brochure holders, bold branding opportunities, raised white floor, power and lighting.

The Summit

6 x 6m Peninsula layout
 \$22,000*

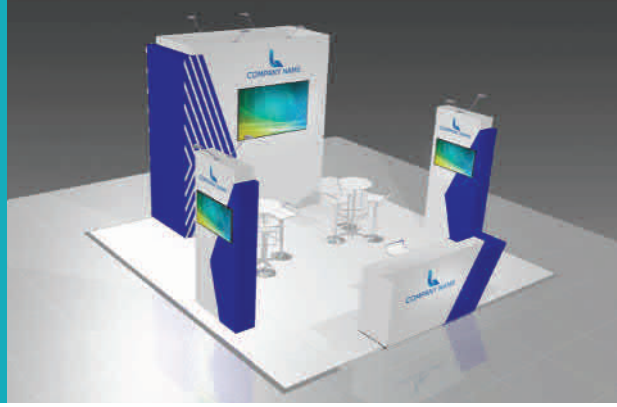

Look no further than The Summit to make a statement at your next exhibition. Featuring 4m high walls, large lockable store room and open area for your display equipment. Complete with a reception counter, hospitality nook with bar fridge, meeting areas, 55" LCD, brochure holders, carpet tiles to match your branding, power and lighting.

The Prospect

6 x 6m Island layout
 \$22,000*

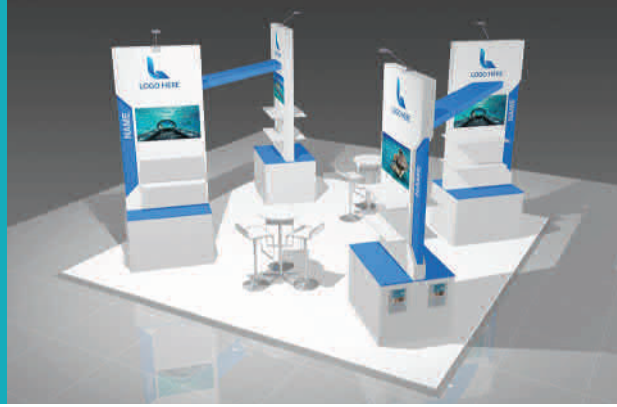

Make a bold statement with the Prospect. Featuring 2 front towers with coloured angle trim which is replicated on the 3.2m h large store room. Good branding opportunities and visuals through the use of multiple screens. Angled reception counter, bar table and stools, raised white floor, 40" and 65" LCDs, power & lighting.

The Vista

6 x 6m Island layout
 \$22,000*

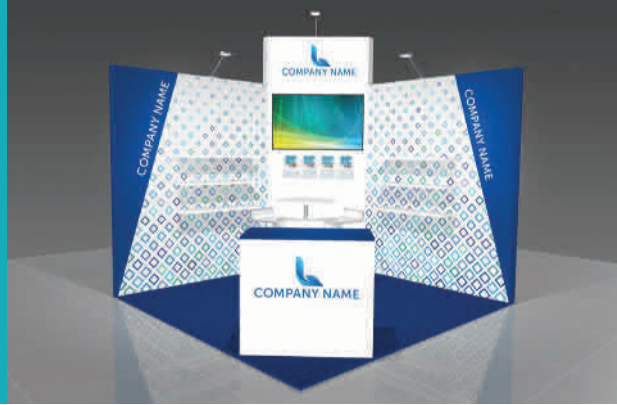

The Vista features 4 x angled pods with individual graphics and company logo, linked pelmets with down lights, storage cupboards, shelving for ample product display, a raised white floor, 2 x casual meeting areas, brochure holders plus power and lighting. Additional option to upgrade individual graphics to LCD's.

The Command

3 x 3m Corner layout
 \$11,000*

The Command will ensure your show presence is remembered well after the event. With bold signage opportunities, shelving for product display, hidden storage cavity in the tower, welcome desk and large LCD, this attractive stand looks bigger than its size. Also choice of carpet tiles to suit your corporate colours, power and lighting.
